Pete contacted me,, informs a company sold their G550,. Valiant Air,,
They are selling 2 main wheels assemblies and 2 nose wheel assemblies.
With 4 new tires and overhaul completed,
The G550 wheels are recommended to be overhauled during each tire change,. NDT (x-ray Non-distractive testing).
Usually takes 3 days to overhaul a wheel, if I can't locate exchange wheels.,
Gulfstream sells G550 wheels Assembly for \$65k each.
We can purchase 2 main wheels and 2 Nose wheels with wing Jack pads for \$55,000 for all 4 wheels.
It would be nice to have spare tires ready to install,
The Runway in St Thomas has a lot of coral, tears up our tires.
I'm getting about 160 landings per wheel,, we accomplish about 120 landings per year.,

Do you approve of purchasing these spare wheels for \$55k ?

Thx
Larry
