Hi Lesley

Sorry for the late notice,.

Eileen and I would like to extend a wedding invite to you and Ike,.

We where slow to invite anyone from the NY office, and burden anyone with large travel expense for Taylor's wedding. ,. However, after speaking with Jeffrey, . He extended a nice perk, .

Jeffrey said I could invite anyone from the NY office, . And he would pay for the airfare and Hotel expense, if you traveled to Zorro for Taylor's wedding, .

Eileen and I would love to have you guys attend if your schedule permits.,

Let us know, .

all the best, .

Larry
