Thank you! I have my own bedsheets so 10b Could work perfectly if I end up coming (I don't need towels or anything else, just to sleep)! Will you please send me the code just in case?

We have 10B but it is not clean. Tess plans to clean it Monday. With [REDACTED] out all week Tess has been at the house preparing for JE's arrival. I told [REDACTED] he and the other pilot could stay in 3M and 11P. If you could bunk with [REDACTED] for the night that would be great (if you wind up coming)

I might need to stay uptown on Saturday night, do we have anything available? I can stay with [REDACTED] if not, not a big deal. Thank you
