Hi,

The front half (closest to the street) of the first floor is covered by the AirPort in your office.

The back half WAS covered by the AirPort in the dining room, but it's currently offline for the construction.

I'm happy to come take a look and see if I can get a relay from the kitchen AirPort working in the interim, but I'm not confident -- it's going to be tricky.

I'm available 10-6 Monday & Tuesday.

Thank you,

Hi Lesley,

We are having trouble with wifi in the house again, in particular the hallway on the ground floor. Could you please coordinate with James if he could come over some time this coming to check it?

Thank you!

Karyna
