Subject: Busby Event Follow Up
Date: Sun, 09 Apr 2017 23:24:06 +0000

Dear Friends:

I wanted to follow up on the great hospitality and event hosted by Nicole and Steve Busby last week. Thank you for taking time out of your week to hear my ideas and vision for Connecticut. Enough is enough. Connecticut needs a fresh start.

As a reminder, I need to raise a maximum donation of \$100 per person from over 2,500 people. That is a lot of people! So two donations are more valuable than one obviously. Also, if you are inclined to host a similar event, please reach out.

For those of you who contributed to my committee, THANK YOU, and please share your interest with your friends and family.

If you did not have a chance to contribute yet, I am working hard on this first phase of the committee. Would you please consider a donation today? If I left you with questions unanswered, feel free to email me as some have already done.

Here is a direct link to donate: <https://platform.gulfpartyline.com/give/steveobsitnikforconnecticut>

Thank you again for your time and consideration as we look to Imagine a Brighter Connecticut! Below is an email if you would like to share with friends. Hope to cross paths again soon.

Regards,
Steve Obsitnik

Dear Friend,

Now more than ever, we need to support the most qualified candidates in our country. I recently met Steve Obsitnik who recently opened an exploratory committee for statewide office. Steve is a trained engineer from the U.S. Naval Academy, a veteran of the U.S. Submarine Force serving in New London and a high-tech entrepreneur and job creator. He understands the troubles facing Connecticut and knows how to take on and accomplish big challenges.

Steve recently formed an [exploratory committee for statewide office](#) for the 2018 election cycle.

Why is he doing this? Connecticut is in horrible condition. A net 32 people move out of Connecticut everyday. Over the last 9 years, Connecticut has lost 6% of its K-12 population. The state never recovered from the Great Recession restoring only 76% of the jobs it lost. GE left, Aetna may leave, workers and families are hurting across the state. All because of poor leadership and bad policies. I [encourage you to follow](#) and get to know Steve Obsitnik.

I am asking you to help this state and my friend with a donation, but a relatively low dollar request. He has to raise \$250,000 in contributions of \$100 or less. Would you please [consider donating](#) \$25, \$50 or up to \$100? You can contribute by [clicking here](#) or you can [return this form](#).

We need exceptional people in government. Here is your opportunity to support one such person.
