Fantastic! I am not positive what time zone you are in...we are EST...does tomorrow at 9am EST work for you? Please advise a number Jeffrey should call you on as well...

Thank you!, Lesley

Dear Lesley,
Thank you for your emails. Apologies for the slight delay, I was in the air for much of the interim.
I would be delighted to chat with Jeffrey at his convenience. Please let me know what times suit him best either tomorrow or Thursday and I will make one of them work.
Kind regards,
Oliver
