Dear Jeffrey,

Please see that I have corrected the proportions (of the black and white aerial rendering). Because it look to tall and I took the Yacht out an included a balcony vignete

I'm only trying to make it more understandable

Please let us know if is worth it, to keep exploring this direction?

This next week I'm planning to be in Orange County Ca. at are new office in the John Wayne Airport Area

Please let us know if you want to meet There

All the best

Regards
