When carrying on your pet, you'll need to make sure that they can stand up, turn around and lie down in a natural position in their kennel. Non-collapsible kennels can be a maximum of 19in x 13in x 9in.

Soft-sided collapsible kennels such as Sherpa bags can be larger if they're made of water-repellant material, are padded or have nylon mesh ventilation on 2 or more sides.

Calling American about climate control. Will be in touch.

FYI:

Checked pets

You can travel with up to 2 checked pets that are at least 8 weeks old. **Please note that as capacity is limited, we accept checked pets on a first-come basis.** When checking a pet, you'll need to:

- Contact Reservations at least 48 hours prior to travel
- Check in at the ticket counter
- Allow extra check-in time (can't check pets more than 4 hours before your flight)
- Complete a checklist with an agent
- Provide a health certificate

To ensure the health and safety of your pet, the health certificate you provide must be issued by a vet within:

- 10 days of your travel
- 60 days of your return (travel on the same ticket)
- 10 days of your return (travel on a separate ticket)
