---

I am working on trying to not let the girls overlap too much...probably means Anastasia has to take that 3:30am flight and spend the most of the 14th in Paris then depart earlier on May 15th so [REDACTED] can arrive...etc..

Hi Les,

I believe the last time she took the flight I sent you. Shall we send both options to JE and ask what he prefers? I think the day flight to come to Paris is better, otherwise she is taking two red eyes. If she is departing so late from paris, [REDACTED] from moscow could fly in a little bit later not to have too much overlap (like getting in around 2/3pm)

would the below be better so she gets the day on 14th? she would also get the full day on 15th... Its not so nice departing at 3:30am however! Maybe your departure trip is better...please let me know...
