Subject: Hotel Rooms for Jeffrey

Date: Sun, 14 May 2017 22:15:24 +0000

Hi Natasha...hope you are having a great Mother's Day!

Tomorrow when you are in, can you please book Jeffrey a suite and a regular room with 2 beds, nicest hotel in La Jolla for June 5 and 6 then also a suite and regular room with 2 beds at the Bel Air for nights of June 7th and 8th.

FYI-I am having a procedure done tomorrow morning and will be under anesthesia...so not really available to get to this until the afternoon...please do some research for me and send along pricing...Jeffrey likes the Ritz, Four Seasons, etc...not sure La Jolla has either...but you know...5 star hotel type stuff. The regular room does not have to be attached to the suite.

(procedure is standard stuff...I'm fine!!)

Thanks so much...[REDACTED]
