Dear Richard,

Your vehicle's second anniversary is swiftly approaching.

At this time your second maintenance service may also be due. As a reminder, you can reach our service department directly at [REDACTED] to schedule your appointment.

Service done "your way" offers the convenience of drop off and pick service, dealership amenities while you wait or loaner vehicles with your scheduled appointment.

Please let me know if there is anything I can do to assist.

Best regards,

Gary Mann
