Sounds great! She will love it. If she reaches out don't tell her. She will love the surprise.

Food for thought before Friday.

We will be in London Thursday and taking the train over to Paris Friday.

Can come really anytime depending on what you want to do and your schedule Friday. We have nothing scheduled for that whole day right now.

Saturday is a little busy with [REDACTED] event and a few meetings for me but will sort something over weekend if Friday doesn't work.

Was flying out Sunday but could easily stay that day and fly out Monday for her birthday surprise if needed.

Look forward to it.

Hey bud.

All BS aside, I hope you are well!

It's been way too long. We both have missed seeing you. We are going to be in Paris [REDACTED], maybe a day or two longer.

If you are around that weekend let us know. I wanted to surprise [REDACTED] with dinner or something with you for her birthday.

Feel free to call cell below if easier to coordinate.

Best,
