So Sorry! I tried to run to the ladies room really quick...lol

Actually both the report and CD are very much useful. You can have the report faxed to me at 646-317-0661. Mr. Epstein can bring the cd the day of his exam. I have attached the new patient paperwork for completion.

I can just ask you via email actually!! Jeffrey would like Dr. Chen to see his MRI of his back...would a faxed report be good or should we send a CD...what is best? Also, do we need to fill out any paperwork? I will send you a copy of his insurance card now...! thanks,

Fantastic! Do you need a copy of his health insurance card? Are there any forms we can fill out prior to the appointment?
