I didn't get this until I was almost here.

3M did not get an Apple TV yet. I'd like to install it (and remove the cable box) once it's vacant.

11B also did not get an Apple TV as that tv won't support it.

So I have 3 Apple TVs with me, still.

Thank you,

 James Ce, your Personal Genius,

Please clarify 3M: Apple TV installed, but box needs to be returned. Leo will return boxes, he is currently at 301 and copied on the email. Please let him know where to find you. He will return box from 3M as well, when guests will leave. You can call Leo at [REDACTED]

Thank you,
Bella

Hi,

Finishing the last apartment now; as soon as it is finished I will return the cable boxes to TWC on 77th & 3rd.

Couple of problems/exceptions:

3M - [REDACTED] parents. I'd like to return after they've left (They're older & don't speak English, so Cable TV is all they can do when she's at work)

10N - [REDACTED] Didn't have cable, had an older Apple TV. I upgraded it and showed her how to use it.

11B - [REDACTED] Her TV doesn't have any HDMI ports, it's too old? No HDMI means no AppleTV, so I left her cable intact.

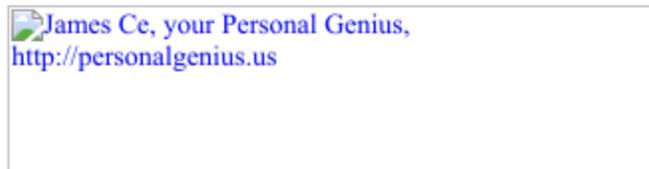

11E - [REDACTED] JEE opted out.

I also pulled the legacy AirPort Express' and corrected any wifi setup issues.

I plugged in the remote's charging cable to USB ports in the back of the TV & programmed the screensaver on the Apple TV to display instructions on connecting to the □tv via AirPlay and included the wifi password.

It's pretty slick....

FYI-James is starting the install of all the Apple TV's today. He will start with Ehud/Nili in 11J first at 10am...move on to [REDACTED], [REDACTED], Arina and guest apartments...
Did we need to ask [REDACTED] if she would like Apple TV?
