Good morning Larry, here are the quotes that you requested for the G550 Exterior paint. There is a difference of 10k due to the metallic colour. I hope you find the prices to be competitive as I know Gulfstream is very expensive and would be extremely higher. We produce the same quality with much lower prices.

We are also a one stop shop and do Interior, Avionics and major Mod E2=80=99s, in the future if your require any of these services please consider us for future work. If you have any question please feel free to contact me
