Blair,,

Can you provide a paint sample for me,. 8x11 would be fine?
I'll pay for it,, "Midnight BLUE PEARL from PPG color chart:
Color code is: PPG Aerospace Color Chart.
Code: AL6013 or it's A16013

(after the A it's either a 1 or an L).
called "Midnight Blue Pearl"

If you don't spray, PPG paint,. If you could match the color to this in your product would be fine,.
Just a close match is fine,,

Thx,

Good morning Larry, here are the quotes that you requested for the G550 Exterior paint. There is a difference of 10k due to the metallic colour. I hope you find the prices to be competitive as I know Gulfstream is very expensive and would be extremely higher. We produce the same quality with much lower prices.

We are also a one stop shop and do Interior, Avionics and major Mod's, in the future if your require any of these services please consider us for future work. If you have any question please feel free to contact me
