I'm not sure why it was replaced during the remodel, but it doesn't have any HDMI ports, so AppleTV won't work with it.

Hi,

Last night I upgraded 3M, which is the last of the apartments at 301 E 66th that I can do.

Bella, the cable box return receipt is attached. You may want to give TimeWarner / Spectrum a call & make sure they've adjusted the services appropriately. The agents processing the box returns were saying services changed by breaking the bundles and were different under Spectrum, but I couldn't tell how much of that was them trying to talk me out of returning the boxes.

Rich, I have one unopened AppleTV left. I can bring it to your office the next time I visit, or leave it in the basement at 71st. Whichever you prefer.

Thanks!
