Hi Larry...wanted you to know we have 2 girls flying in tomorrow to go with Jeffrey to LSJ. One is flying to Newark and the other to JFK...they both land around 12:30pm from abroad. I will hire Carosa to pick them both up and take them to Teterboro...

please confirm I should have them taken to: Meridean Teterboro, G550 Tail Number, N415LM

I will include you on the emails with Carosa so you are in the loop!

Jeffrey says wheels up is to be 3pm
