Hello [REDACTED] Dr Chen called Jeffrey last night but Jeffrey was not available. Dr Chen said he would call Jeffrey today but we want him to call Jeffrey's cell please! Jeffrey's cell # [REDACTED] I noticed when Dr Chen called it comes in "unannounced" "no caller ID". ...so I can give Jeffrey the heads up, might you be able to tell me a window of time Dr Chen might call so we assure Jeffrey will answer?

Thanks.
