Good morning Valeria. Might you and Noam be available to have lunch with Jeffrey at his home in NY this Friday June 30th? I am about to leave on a cruise so you will need to coordinate with Bebe who is CC'd here! If lunch won't work hoping you can find another time that will!

Jeffreys home address again is

9 East 71st street between 5th and Madison

Take care (and Bon voyage for me!)
