Hi Lawrence~! we can absolutely hook you up with Jeffrey's driver Valdson! He speaks French and Portuguese but understands English enough...Can you give me your flight arrival/departure details and I

will pass them along to him...also let me know the address of where you will be staying...I will then send an email to you, Valdson and Julia Santos who helps out Jeffrey as well...I use an english to french translation site to communicate efficiently with Valdson...If you will be using a cell while in paris, pass along that number as well so i may give to Valdson. Thanks, Lesley
