Little [REDACTED] is SO Perfect! He is like a little angel with that cherubic face! You look so happy. This is what life is all about!! ...love all the pics... thanks for sharing!

Jeffrey says the island merely needs some spring cleaning (trust me it is more than this, but I like and appreciate his attitude...it will probably be even better than before!)

enjoy your little baby boy and big boy husband!

Wow 7th grade!! It doesn't feel like that long ago I was babysitting baby [REDACTED]!

I'm happy to hear Jeffrey and everyone at the houses are okay - but sad about the Island. It was such a beautiful place!

I attached some photos of [REDACTED] but also a photo from my wedding in July and one of [REDACTED] and I!

Hi [REDACTED]! None of the pictures came through! Can you try again?! I would love to see you and little [REDACTED]! Glad to hear you are enjoying being a mommy! Trust me,...it only gets better! :)

Jeffrey and his people are all fine! thank goodness...that is most important...however lots of rebuilding is required! Palm Beach was spared for the most part...trees down and a little other stuff...but the island ... wow...that is going to be awhile. I will let Jeffrey know you are thinking about him!

[REDACTED] and I are all good. [REDACTED] started 7th grade...he loves it! and it's football season so our house is very happy right now! [REDACTED] still coaches for [REDACTED]'s team and will until 9th grade...then it moves to the high school and paid coaches..

Take care and send the pics! Lesley

Hi Lesley!

Just wanted to say hi and also send my regards to Jeffrey. I hope everyone on the island is okay and the situation is as best as can be hoped for!

How are you, [REDACTED]?

I'm busy with [REDACTED] and work and trying to plan our escape to Westchester! [REDACTED] will be six months on Thursday! Time really did fly! I've attached some photos of him from our trip to Florida last week!

XOXO
