Dear Jeff,

Thank you for renewing your membership to Priority Private Care. Our emergency physicians and support staff are waiting to serve your medical needs 24/7 at our center, located at 170 East 77th Street on the lower level.

Your membership includes unlimited encounters with our medical team, access to our network of the best specialists in New York and VIP service at leading hospitals, all by calling our medical hotline at any time: [646-687-7600](tel:646-687-7600).

Please reach out to schedule your annual wellness consultation, including blood work and basic imaging, as well as to take advantage of our other free services that we offer, such as complimentary flu shots. Also, if any of your contact information has changed or you have not been receiving correspondence, please let us know!

If you have not used the service recently, we have expanded and updated our facility, now offer house-calls in New York & the Hamptons during summer, and are in negotiations to open additional locations in New York and across the country to provide even greater coverage.

Looking forward to helping you with all your healthcare needs.

Best,

Kate
