hi lesley,

..can you please tell jeffrey that i have visitor visa, and being 6 weeks on the island i might have problems when i need to get back. last time when i was there i had problems at the airport at the border because i was on the island for too long(two months), it was a little strange for them..

could you please also ask him if he has work for me to do in new york? and if yes, it would be possible do that first and then go islands oct 25th?

thank you
