...hmmm so it sounds like possibly after lunch would be better for a visit? I am coordinating his day and can make this 'fit' if you think it would be good 'exterior cab scene' watching...! ha...Let me know what you think.

We will then move to an exterior shot for a cab scene and then an exterior shot for another cab scene. Do you know what time he'd try to visit at? I don't have the addresses nor times we will be shooting yet but could try to guess lunch time and when we won't be around on set.
