Pinto office requested us to pay 2 invoices. One of them was in the name of the Cabinet Alberto Pinto % Jeffrey Epstein..and second in the name of NES LLC. I was advised by Melanie from Pinto office to pay both invoiced directly to Christies. I send a wire from JE Euro account with detailed references. Christies first requested to proof that JEE is related to NES and after Marie from Christies told that they received payment for one of the invoices for 4160 Euros from Pinto directly and they can't accept a third party payment and can't accept partial payment from our wire. Marie from Christies will reject our wire today and after i receive it back, hopefully tomorrow, will send new wire from NES for one invoice only and will discuss with Melanie how to handle payment for invoice that was issued to Pinto name and paid by their office.

Thank you,
Bella
