With that said my trip to NYC is never complete without at least a short walk or visit with JE. As of now Im open all day this coming Friday, then dinner with one of Dominique's business clients. She asked me to invite JE to dinner right down the street from you guys (around Madison and 62nd?) at David Burke on Saturday night at 8pm (exquisite burgers and steak!!!) but I told her I doubt THAT would happen!! But wanted to extend the invite! And as far as next week, I'm back Weds/Thurs. - solo - to do radio from approx 2-6pm. Supposed to dinner but can blow them off if need be... And thats my story. 😊
