Hi Jeffrey - Great!...my pleasure - hard to believe it's been 50 years! And sounding better than ever...the story behind the stereo remix: in 1967 George Martin, engineer Geoff Emerick, and the band spent three weeks mixing the mono version, and three DAYS - without the band - mixing the stereo version! Hence this redo by Sir George's son Giles...I'm here at this Art, Neuroscience & Psychiatry today, talk is tomorrow - <https://www.artneurosciencepsychiatry.com/courses> - With thanks for your support - Mark
