Dear Lesley,

How are you? I hope you are doing well.

I wanted to make sure to circle back with you per Jeffrey's request (as it is already November..yikes!) :-)

As a reminder, Governor Richardson asked for Jeffrey's support to his Center for Global Engagement. Since we last communicated, we helped bring Otto Warmbier back from North Korea (<https://www.vox.com/world/2017/7/3/15893426/negotiator-north-korea-mickey-bergman-otto-warmbier-richardson-center>); started a robust collaboration (first of it's kind) with the FBI Hostage Recovery Fusion Cell (FBI, State and Defense Department), where we bring out-of-government assets to help solve cases (former CIA Directors, former diplomats and business leaders); and have been conducting back channel contacts between Pyongyang and the White House (National Security Advisor McMaster and WH Chief of Staff Kelly).

When we communicated earlier in the year Jefferey indicated he will support the Center, and asked that we reach out in November to follow up.

I am happy to come up to see you, or mail you some additional information, if needed.

Thank you so much Lesley,
Mickey

Hi Lesley,

Wanted to share with you and Jeffrey the below clip from the local news (one of several) regarding the case we've been working on in Gambia and finally resolved.

Nice mention of the Richardson Center here.

Yes. They did. Thank you Lesley.

The Governor told me the call was good and that Jeffrey will make the support for the Center, but said it will be done later in the calendar year, for tax reasons.

If you can follow up with Jeffrey and let me know if there is anything I should send you (payment info etc.).

Thanks so much Lesley,

Mickey
