Reminder from DANGENE: The Institute of Skinovation

Hello Lesley

This is a message from DANGENE: The Institute of Skinovation to remind you of your appointment:

Tuesday December 5 at 11:00 AM

We have a 48-hour cancellation policy and missed appointments will be charged for the cost of the session and/or deducted from an existing series. Cancellations must be made 48 hours prior to your scheduled appointment.

REMINDER: Laser treatments can not be performed any earlier than 7 days after the completion of any topical or oral antibiotics. Laser treatments can not be performed until 4 weeks after spray tanning. Treatment can occur at our discretion. If you have a tan that is less than 4 weeks old you can not have IPL. If you have a history of cold sores take Valtrex before your laser treatment to prevent an outbreak. No Retin A products a week prior to your laser treatment.

We are looking forward to seeing you.
