Thank you!

I am trying to see if Bella's Adobe works so I can have the whole package here and ready for him to go. (If it does you can just shred those please) but good to know yours works lol

My Adobe is updated as far as I know it just won't print all the pages and I'm like wait a minute - why do these packages look so thin .. I look over them and they're all missing pages - ___ -

Please make sure prints all pages!
Having issues with Adobe on my end
Let me know!

Thanks!
