Subject: Dinner timing will be challenging...

Date: Wed, 31 Jan 2018 21:40:33 +0000

One guest is arriving 6:45pm and must leave by 7:45pm

One guest will arrive 7pm and stay as long as he is wanted

One guest will arrive 7:30pm at the earliest, could be later, and he is able to stay as long as he is wanted..

could be challenging for actual serving...remain fluid and hopefully Jeffrey will help with navigation of timing...
