Subject: Dangene's crew and Dr Kline can see you!

Date: Tue, 13 Mar 2018 17:36:39 +0000

Dangene's crew can see you today! I told them you would arrive around 2:45/3pm depending on traffic. Dr Kline arrives 4pm and can see you also today. I am told they had lots of cancellations due to the weather so they can fit you in for sure!!

JOJO, please drive jeffrey to the Core Club!
