YES! Come Thursday 15th evening so you can relax and be fresh in the morning on 16th...It is available. You could come see Jeffrey at 9am? Would this work?

You probably mean 11am/12pm?

If I take the 9am train, I will arrive at Penn Station at 12:46, and would be at Jeffrey's place at 1:15pm. I can also come earlier, but then it might make sense if I travel to NYC on Thursday evening, so I can be at Jeffrey's earlier in the morning, like 10am? (If I take a really early train like 5 or 6am, I will be too tired to speak :) Would the apartment be free on the night before?

Bests,

Joscha

Great...what time can you be in the city? Would 11 or 12pm work?

Jeffrey's home: 9 East 71st Street between 5th and Madison.

Jeffrey plans to depart the city and I think it will be earlier than later...

HI Joscha...I just spoke to Jeffrey and he actually will NOT head up to Harvard this Friday...he is asking if you might be able to come to NY a bit earlier on Friday so you could meet with him at his home instead! Might your schedule allow this?

Dear [REDACTED],

I hope this finds you well!

From the 16th to the 18th of March, I would like to visit a workshop at NYU. Would it be possible to use the apartment during that time, please? I would probably arrive there in the evening of the 16th, and leave either on the morning of the 18th or 19th.

Thank you and bests,

Joscha
