Thanks Lesley!

I will say that I don't envy the snow ;) I'm done with cold for the year!

Hello Vincenzo! You are so good with your calendar! I will include your dates in Jeffreys itinerary but until we are closer to the actual days he doesn't give me much info! Stay posted and feel free to check in! Hope all is well. We are getting more snow today and School is cancelled again. Oh joy (if you are 13!)

Hi Lesley,

how are you? I'm in NYC April 10-14 and again 20-21. Do you know if Jeffrey is going to be around?

Thanks,
Vincenzo
