Dear Mr. Jeffrey Epstein

On Wednesday, March 14th, FX Networks and FXP invite you and a guest to the premiere of Trust, the new drama series about the trials and triumphs of J. Paul Getty, the patriarch of one of America's wealthiest families.

Please join director/producer Danny Boyle, writer/producer Simon Beaufoy, and cast Donald Sutherland, Brendan Fraser, Michael Esper, and Harris Dickinson.

There will be a 6:45pm screening of the first two episodes at the French Institute Alliance Francaise in Florence Gould Hall, followed by a supper at the Metropolitan Club at 8:45pm.

Inspired by actual events, Trust delves into the world of the Gettys. Equal parts family history of triumphs and tragedies, dynastic saga and an examination of the corrosive power of money, Trust explores the complexities at the heart of every family, rich or poor.

Trust is told over multiple seasons and spanning the twentieth century. The series begins in 1973 with the kidnapping of John Paul Getty III (Harris Dickinson), an heir to the Getty oil fortune, by the Italian mafia in Rome. His captors banked on a multi-million-dollar ransom. After all, what rich family wouldn't pay for the return of a loved one?

Please join the cast in celebrating the premiere of FX Networks' Trust, an insightful look into the Getty family and the emotional twist and turns.

xoxo,

Peggy
