Hi Lesley,

Membership forwarded your inquiry to me. Unfortunately, the Plant Intelligence Symposium is completely sold out, even for members. I am happy to add your name to our waitlist, but this list is around 50 long at the moment.

Please feel free to call us at the Registration Office at [REDACTED] with any further questions.

Thank you,
Jillian

Subject: Membership Question

Hello...We would like to attend the Symposium on Plant Intelligence on March 22. If we become members will we be able to attend the event or is it already 'sold out'? I try to click on the "member" button but the website does not allow me to do so. Is it wait list only?

I look forward to hearing back from you.

Thank you,
Lesley
