I was hoping you could register yourself first. Once you do this then I will call the school with a credit card number and pay. But I think you need to register first. Let me know if you can do this. Thanks

Hi [REDACTED]...have you signed up for the courses as of yet? May I call, give them your name and then pay for these courses?

Can I ask you for booking of spring program's short courses, I need two last ones for the dates I circled :)

No, I haven't signed up with them before. Yes sure you can!

Got you! Okay I'll let you know as soon as I register

Okay, I registered and got the answer so maybe you can call them and say my name because I'm already in their base
