Below from [REDACTED]...we agreed to touch base on Friday to see if it's possible to organize time on Saturday for you.

Hi Lesley, sorry for getting back so late. This week is crazy work wise with events here at Spring so I have to stay late every day and on top of that work at home. So I didn't wanna commit to anything until I know for sure because I have to come in here on the weekend aswell but I don't know when I will get off on Saturday yet. Can we make a decision on Friday will that work? It's hard to say right now. Sorry about that I didn't mean to keep him waiting
