Your Russian Visa will expire April 23, 2018 (today). If you wish to renew for a 3 year business Visa, you will need an official letter of invitation from Russia. I have attached the letter we used last time...Will you get another letter of invitation so we may start the procedure? All visa applicants must submit the official invitation from Russia written in Russian.. I can have the agency we use to obtain the visa provide a letter of invitation. Please advise if you will provide the letter or if I should have the agency provide. We really can't move forward without this piece.
