Unfortunately we cannot extend your Russian visa...we must **RE Apply**...which means you will need a letter of invitation from Russia in Russian. Who should do this for you? [REDACTED]? [REDACTED]? Karyna? Or have G3 Visas acquire the invitation for you? (See below from G3 website):

5. All visa applicants must submit the official invitation from Russia. If you have your own invitation, include a printed copy; faxes or scans are acceptable. This must be the official invitation, which will be written in Russian. We can acquire an invitation for you; please complete the invitation section of the visa questionnaire. Note that invitation processing fees and times should be added to Embassy fees and times.

Your Russian Visa will expire April 23, 2018. If you wish to renew for a 3 year business Visa, you will need an official letter of invitation from Russia. I have attached the letter we used last time...Will you get another letter of invitation so we may start the procedure? All visa applicants must submit the official invitation from Russia written in Russian..
