Good afternoon [REDACTED] - I hope you are well and life is good.

Do you by chance know if anyone great PA's that are either living or open to Palo Alto - California area?

I am working on a great role for a wonderful HNW yet low key family.

We have worked together for years and all their staff stay major long term.

If you know of anyone please can you share the attached job description.

As always if I can assist you in any way please do not hesitate to reach out
