Hi Emma... Thank you for letting me know about the 6th... Re the 21st, Jeffrey's plans are always fluid ...he changes them a lot! I don't want you to make special plans for George to be here if he does not need to be! I'm pretty sure Jeffrey will be in NY and am keeping 12:30-1:30pm set aside for George...but if Jeffrey diverts from the intended schedule, I don't want to screw things up for you! What is best?

Hi Lesley,

I have had an opportunity to follow up with George regarding connecting on Sunday May 6th, he is not available due to family commitments.

Did you want to go ahead and confirm May, 21st at Jeffrey's home in NY 12:30PM -1:30PM?

I will plan to book the flights by the end of this week beginning of next week so confirmation would be great,

Thanks

Good morning Emma. Jeffrey will now be coming up to Harvard on **Sunday May 6th!** Any chance George is around this date and available to come see him?

Lesley

That could work. Let's pencil it in and I'll check with George.

He will most likely be traveling with Ting his wife would the invitation be extended to her?

Ok...on May 21st could he come to Jeffrey's home at 12:30pm? Jeffrey would be happy to have him for lunch...

Sorry, I think you mis-understood George's availability.

George has an afternoon commitment. He would only be available mid-morning /early afternoon (before I would say 2:30PM). He will be checking into a hotel around 3:00PM - they could meet there in the lobby:
140 Washington Street
Between Albany and Cedar Streets
New York, New York 10006

OR somewhere else earlier.

He will depart first flight May 22nd and not available to meet on that date.
Hope that makes sense.

Thanks
Emma

Jeffrey very well may be in NY on May 21! Could we pencil in 4pm at Jeffrey's home? 9 East 71st Street between 5th and Madison...

Hi Lesley,

Unfortunately he is doing a "same day return" and he has commitments on May 3rd back in Boston.

George will be back in NY on May 21st and I have yet to book the flights. Does Jeffrey have any availability that date mid-morning / early afternoon?

Thanks
Emma

Emma, how long will George be in NY? If he is there on May 3 perhaps Jeffrey and George could meet in NY instead!?
