would 10am work for you? If so, what number should he reach you on? (he did not tell me what he wishes to discuss...I can ask him again when I confirm the time...)

Good morning Bennet. Jeffrey is asking if Saturday would work for you. He will be in Palm Beach however so I assume he means a call unless you happened to be in Palm Beach as well this Saturday! Let me know what works. Thanks, Lesley

Hello Lesley,

I hope all is well with you. Can you please find out if JE has time for a catchup call or meeting the next time he is in NYC? If he has anything in particular he wants to discuss and is able to tell me ahead of time, that would be great as well. Otherwise, I'm just touching base.

Thanks!
