Dear Lesley,

Our entire team was thrilled by the recent article featuring Priority Private Care in the New York Times, and we want to thank you. Your membership and trust makes everything we do possible, and we appreciate and value that trust deeply.

Even with the increased interest generate by the article (below), we want you to know that we will continue to monitor membership levels so that the quality and immediacy of your medical service are never compromised.

With gratitude from all of us at PPC,

Ben Kruger
