Hi Larry. We are trying to secure a new Russian Visa for Jeffrey. Darren needs to know the following:

-When did Jeffrey go to Russia? Jeffrey says he went 15 years ago. Can you give approximate dates of this trip by looking back at flight logs? Did he go to Moscow?

-We need the past 8 foreign trips he has made...I'll bet they are Paris, Morocco...? I can look back at my itineraries but I know sometimes he makes trips while abroad that I am not privy to.

I know you are flying today...tomorrow is fine to have a look at this stuff for us.

Thank you! Lesley
