They will be arriving to St. Thomas May 29th AA Flight #1391 at 2:58 pm.

The departure will be June 1st AA Flight #943 at 2:24 pm.

I try booking the same hotel as last time (Bolong Bay Beach Resort), but they are closed until June 1st, do you have any recommendations on where they can stay?

Please let me know to have everything arrange.

Thank you,
