The Oasis Restaurant located poolside with a swim up bar is now open. Iggies Beach Bar & Grill will re-open later this year.

About Groups: We can seat up to 16 people from the same party at the same time at The Oasis Restaurant. The reservation will be made for 4 tables in the same section. This is only possible if reservations are made in advance, our restaurant is very popular, and we can not guarantee a full section being available if reservations are made the same day. Early or late seatings are easier to accommodate. Because we offer full restaurant service with a la carte dining, no buffets, you will enjoy better and more extensive food choices, but it also means that we, like other restaurants, are limiting the number of guests we seat at a time, in order to give you the best possible service.

Again, thank you for choosing Bolongo Bay Beach Resort. We are looking forward to meet you! Cheer's to a great vacation!

Please join us on facebook as well.
