Hi [REDACTED]...way back on SATURDAY Oct. 8, 2016 Jeffrey's 4 year passport arrived the house via Fed Ex from the agency we were using to obtain a passport card for Jeffrey..you were here that day and once the 4 year passport was in house, you went to Fed Ex and sent the agency Jeffrey's 10 year passport which they needed to process the passport card. Jeffrey was in NY Oct. 8, but flew to PB on Oct. 9...then to LSJ Oct. 11, back in NY Oct. 15, 2016. I assume he took his 4 year passport with him in his black bag to travel with (?) The 10 year passport and passport card arrived the house on Oct. 13, 2016 and were left for him on the Dining Room table.

When Jeffrey returned back to NY on SATURDAY Oct. 15th, I would think he would switch back to traveling with his 10 year passport and put the 4 year passport 'somewhere safe'... ?

The 4 year passport is not in the safe at the house, the office or the island. It is not in my file cabinet. Could it possibly be somewhere in a little safe keeping box in Jeffrey's dressing room? or in the black bag he travels with still!?
