Hi [REDACTED]..did you make an appt today at Fekkai for a cut at 12:30pm..The salon just called asking if it is to be charged to Jeffrey's account or if you are paying for it?

Jeffrey has requested everyone please ask permission first before making an appt..(ask me so I can get the approval, then you can make the appt..)

Let me know if you are paying or if we need to ask Jeffrey...thanks.
